

Mwanza Tanzania CRC Training Centre

In 2018, the Australian CRC Churches, carrying the vision of “a presence in every nation by 2045,” began CRC training through our International Missions Bible College (IMBC) in Africa, with the first classes being held in Kenya and Tanzania. Over the past 5 years, IMBC and the CRC has established a presence in 20 countries throughout Africa. Our students are as diverse as the cultures they come from, with highly educated doctors who teach at universities, to families ripped from their homes and placed in refugee camps. IMBC has seen numerous Africans studying ministry, enabling over 3,000 students to be trained, many going on to pastor churches throughout Africa.

The CRC Mission has always been to equip pastors and leaders to be able to “go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, teaching them to obey everything I have commanded you” (Matthew 28:19-20). We have heard many stories of new churches and ministries growing from the students who have graduated. Starting in one small corner, we have taken the opportunity to spread the message of Jesus across the globe.

Our next plan is to expand our operations in East Africa by building a central office that will service eight countries, including, Tanzania, Kenya, Uganda, Rwanda, Burundi, Democratic Republic of Congo, Zambia and Malawi. We own a 12-acre property in Mwanza, Tanzania, and construction of the first building has begun. The land is currently debt free, but we are going to need more money to complete construction of the Bible training rooms and offices.

The Australian International Mission Team has taken up the CRC Mwanza Training Centre project to see the construction of the training centre.

Together as CRC Churches we can raise \$50,000 through our National Missions Sunday offerings to see this building completed.

Are you ready to support the CRC Churches in Africa? We can do this through the development of our CRC Training Centre in Mwanza Tanzania, to see the CRC International Missions Bible College establish many more ministries in East Africa.

Offerings can be sent directly to the CRC Missions Office or via the online giving portal <http://crcmissions.international/donations> by noting 'Mwanza CRC Training Centre'.
